

DIN Rail Mounting Hardware for System 350™

Description

The BKT287 DIN rail can be used as an alternate means of mounting System 350™ modules in an enclosure or open area. The PLT344 DIN rail end clamps are used to secure the modules on the rail.

Features

- quick, easy, snap-into-place or "slide-on" mounting
- ease of replacement and/or add-on retrofit

Selection Chart

Code Number	Dimensions
BKT287-1R	35 x 7.5 mm, 0.305 m (12 in.) long
BKT287-4R	35 x 7.5 mm, 0.356 m (14 in.) long
BKT287-3R	35 x 7.5 mm, 0.601 m (24 in.) long
BKT287-2R	35 x 7.5 mm, 0.914m (36 in.) long
PLT344-1R	Consists of two end clamps
