## Air Conditioning Condensers

Thermo Pride Air Conditioning condensers include a 5-year Peace of Mind Plus Limited Warranty. If the compressor fails within 5 years of the date of installation, we will replace the entire condenser. After the fifth year, the condenser continues to be covered by our 10-year compressor and parts warranty. The owner must register the product within 90 days of installation to activate warranty coverage. Otherwise the warranty reverts to 5 years on parts and coil and standard 10-year compressor warranty. See warranties for details.

## Air Handlers with Optional Hydronic Heating Coils

### The Advantage of our Air Handler System

The Thermo Pride air handlers are designed to be used as a stand-alone cooling, stand-alone heating or combination heating and cooling air handlers. The air handlers can be installed in an upflow or horizontal application. The cooling coil comes factory installed. In heating mode, our air handler provides up to 70° temperature rise (at 180°F entering water temperature), which provides warmer air than many air handlers on the market. All units operate on 115V and coils use 410A refrigerant.

Our air handler requires little maintenance and provides efficiency, longevity, and worry-free comfort. It also comes with our standard 10-year coil and 5-year parts warranty.

Air Handlers - Modular Multi-Poise Fan and Coil Modules**

Use this section for central air and heat pump applications being installed as stand-alone systems. Not for use with furnace installations. Modular Air Handlers consist of a blower unit and a coil cabinet. Both components must be ordered separately. Electric strip heat is available with these units. These units are multi positional to allow installation flexibility. Please select size of condenser unit needed, choose either PSC or ECM fan module blower unit, cased coil module, line set, condenser pad and electric strip heat if applicable. Please note that the cased coil modules listed below are only used with the modular air handlers.

These units may be used to function as a cooling only unit or with a heat pump including electric heat for single phase. The blower and electric heater can be used as a stand alone electric furnace.

**Note: Modular Air Handlers consist of a fan module and a coil module. You must choose one of each below.**

## Terms and Conditions

### TERMS AND CONDITIONS:

This Price Book is to serve as a general reference only. Complete Terms and Conditions of sales, returns, and warranty are available through your Thermo Products sales representative or the Customer Service Department.

### REGULAR CONTRACTOR TERMS:

1% 10 Days, Net 30. Contractors with approved credit will be extended a 1% discount for payment within 10 days from date of invoice. Net amount due thirty days (30) from the date of invoice.

Contractors who have not established credit may have product shipped immediately by credit card (Visa, MasterCard, American Express, or Discover). Credit card sales do not qualify for the 1% discount. All credit card orders must be paid for at the time of order.

### 1%, 10 DAY PAYMENT DISCOUNT

The 1% payment discount will be allowed provided the payment check is received on or before the 15th day following the invoice date. The extra 5 days recognizes mailing time for the payment to arrive. Please note that the 1% payment discount is not permitted on freight or tax charges.

### TAXES

Add any sales tax payable under any effective statute to the quoted price. Dealers providing a state tax exemption number and form will not be billed sales tax.

### FREIGHT

Unit shipments are sent freight prepaid with the freight bill back. Dealer orders for 3 or more motor bearing units are freight included in the continental United States. Distributor get free freight on orders of 20+ units and 10+ unit fill in order within 90 days of a 20 unit order in the continental United States. All other orders will be freight collect.

### FREIGHT CLAIM PROCEDURE

See "Dealer Receiving and Freight Claim Procedure" explanation sheet.

### MINIMUM BILLING POLICY

A \$25 minimum bill will apply on all parts orders except orders for replacements of in-warranty defective items. Replacements for in-warranty defective parts will be billed at the straight dealer price with the notation of full credit upon return of the defective item.

### RETURN GOODS POLICY

The Warranty Claim/Returned Goods Authorization Form for all Thermo Pride brand products should be submitted online at [www.thermopride.com](http://www.thermopride.com) or Spirit brand products at [www.spiritfurnace.com](http://www.spiritfurnace.com). If you do not have access to the internet, you can call 336-859-4521 and we will fax or mail you a copy of the form to fill out. Following review by the Return Goods Administrator, you will receive a response regarding claim status and instructions for the disposition of the warranty part. An RMA number will be assigned. If return of part is required, return instructions will be provided by the returned goods administrator. If instructed to return the part, send to Thermo Products, LLC at 92 West Fourth St., Denton, NC 27239. Each in-warranty item being returned must have a copy of the completed claim form in the box and the RMA number written on the outside of the box.

**Return Goods Policy for Compressors and Heat Exchangers:** The procedure for Warranty Claim/Returned Goods Authorization differs from the above procedure. Go to [www.thermopride.com](http://www.thermopride.com) or [www.spiritfurnace.com](http://www.spiritfurnace.com) and click on the Support tab, Warranty Returns tab and download the Inspection Reports. Print out this form and complete all the information required. Send the completed form to the fax or email address as indicated on the form. You will be contacted by our Tech Service Department. The Returned Goods Administrator will provide you with return instructions if required. Each in-warranty item being returned must have a copy of the completed claim form in the box and the RMA number written on the outside of the box.

**For Customer Service please call 800-348-5130.**
